(Scheduled Bank Owned by Government)

CORRIGENDUM – I **Date:** 16-10-2026

Sub: Mismatches and Corrections in Tender Document for Printing and Supply of Security Stationery items.
Ref: TENDER NOTICE NO: AGB /Acctts & Recon /100 /01/2026-27 Dated 01-10-2026.
This Corrigendum is issued to rectify the typographical errors, conflicting terms, and reference discrepancies present in the original tender document published on the Bank's website. All prospective bidders are advised to read the following amendments carefully and submit their bids accordingly.

List of Mismatches and Required Corrections

Sl.No.	Section / Reference Page	Existing Detail in Tender Document	Corrected Detail / Amendment Required
1	**Contract Tenure Contradiction (Scope of Work vs. Annexure III)**	**Scope of Work (Page 7) & Instructions (Page 12):** Fixed tenure of three (3) years extendable by two (2) years (Total 5 years). Clause 7: (Page 7) valid for a minimum period of one year from the date of agreement executed with the successful bidder and may be extended by the Bank for further period of one year at the discretion of the Bank. Clause 8: **Validity (Page 15)** valid for a period of one year from the date of agreement which shall be extendable for one more year if opted by the Bank. **Annexure III Clause 4 (Page 27):** Tenure of two (2) years extendable by one (1) year (Total 3 years).	**Contract Tenure:** Fixed operational timeline of **three (3) years** from execution, extendable up to **two (2) years** under identical terms via mutual consensus (Total 5 years). Clause 4 of Annexure III stands modified to reflect this.
2	**Section 3: Eligibility of Bidders** (Corporate Certification Standards, Page 8)	Bidders must present active, valid certifications for ISO 27001 (Information Security), ISO 9001 (Quality Management), and **ISO 14001 (Environmental Systems Control)**.	Bidders must present active, valid certifications for ISO 27001 and ISO 9001. In lieu of ISO 14001, bidders may submit a valid **Poluution Control Certificate** from their respective State Pollution Control Board (SPCB) . **The requirement for mandatory ISO 14001 certification stands relaxed.**
3	**Section 4: Submission of Technical Bid** (Envelope 'A' Enclosures, Page 9–11)	Mandatory submission of a physical copy of a valid ISO 14001 certification.	Bidders may submit a valid **Polution Control Certificate** from their respective State Pollution Control Board (SPCB) .

All other terms, conditions, and technical parameters detailed in the primary tender notice remain unchanged.
By Order,

General Manager
